NEW YORK, May 10, 2023 (GLOBE NEWSWIRE) -- Logan Ridge Finance Corporation ("Logan Ridge", "LRFC", "Company", "we", "us" or "our") (Nasdag: LRFC) announced today its financial results for the first guarter ended March 31, 2023.

First Quarter 2023 Highlights

- Reported Net Investment Income ("NI") of \$1.1 million or \$0.40 per share, inclusive of \$0.06 of non-recurring net investment income, which marks the Company's third consecutive quarter of positive NII and a 69% increase over the prior quarter.
- Net asset value decreased to \$34.63 per share as of March 31, 2023 from \$35.04 per share in the prior quarter.
- As of March 31, 2023, our portfolio consisted of investments in 59 portfolio companies with a fair value of approximately \$203.3 million. During the quarter, the Company made approximately \$7.4 million of investments and had approximately \$6.7 million in repayments and sales of investments, resulting in net deployment of approximately \$0.7 million.
- During the three months ended March 31, 2023, the Company repurchased 1,625 shares at an aggregate cost of approximately \$34,000, under its \$5.0 million share repurchase program authorized by the Board of Directors on March 6, 2023, which resulted in an increase to the net asset value per share of \$0.01.

Subsequent Events

• On May 9, 2023, the Company's Board of Directors approved a distribution of \$0.22 per share payable on May 31, 2023 to stockholders of record as of May 22, 2023.

Management Commentary

Ted Goldthorpe, Chief Executive Officer and President of LRFC, said, "During the first quarter of 2023, we continued down the strong growth path we created in 2022. The steps we took in 2022 to reposition the Company's investment portfolio by exiting non-income producing legacy equity assets, significantly increasing the portfolio's diversification, and growing the Company's exposure to credits originated by the BC Partners Credit platform continued to pay off as we recorded a third straight quarter of positive NII, which grew by over 70% compared to the prior quarter. This improved operating performance, coupled with a substantially lower cost of debt capital compared to the same period in the prior year, allowed our Board of Directors to approve an increase in the quarterly dividend from \$0.18 per share declared in the previous quarter to \$0.22 per share. Additionally, we have begun repurchasing shares through the share repurchase program that was authorized by the Board of Directors on March 6, 2023. As we look forward into the rest of 2023, we will continue to focus on maximizing the earnings power of the Company's stronger balance sheet and more efficient capital structure to further increase stockholder total returns."
