Capitala Finance Corp. Completes Investment in Western Window Systems

CHARLOTTE, N.C.--(BUSINESS WIRE)-- Capitala Finance Corp. ("Capitala") (Nasdaq:CPTA) announced today that it recently led an investment in and served as sole syndication agent for a senior term loan in support of PWP Growth Equity's growth investment in Western Window Systems (the "Company"). Additionally, Capitala co-invested equity alongside PWP Growth Equity and management to support the next phase of the Company's growth.

Headquartered in Phoenix, AZ, Western Window Systems is a market - leading resource for doors and windows primarily used in wide opening applications that facilitate indoor/outdoor living. The Company manufactures aluminum and vinyl doors and windows sold into the high - end custom home market, the production home market, and select commercial markets.

About Capitala Finance Corp.

Capitala Finance Corp. is a business development company that invests primarily in traditional mezzanine, senior subordinated and unitranche debt, as well as senior and second-lien loans and, to lesser extent, equity securities issued by lower and traditional middle-market companies. Capitala Finance Corp. is managed by Capitala Investment Advisors, LLC. For more information, please visit www.CapitalaGroup.com

Forward-Looking Statements

This press release contains certain forward-looking statements. Words such as "believes," "intends," "expects," "projects," "anticipates," and "future" or similar expressions are intended to identify forward-looking statements. These forward-looking statements are not guarantees of future performance, condition or results and involve a number of risks and uncertainties. Actual results may differ materially from those in the forward-looking statements as a result of a number of factors, including those described from time to time in the Capitala's filings with the Securities and Exchange Commission. Capitala Finance Corp. undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required by law.
