CHARLOTTE, N.C., Nov. 11, 2020 (GLOBE NEWSWIRE) -- Capitala Group ("Capitala"), a leading provider of capital to lower middle market companies, announced today that it has successfully exited its senior secured debt and minority equity investment in Optio Rx, an owner and operator of specialty compounding pharmacies across the United States.

Originally provided in partnership with Cold Bore Capital, the investment funded the company's next phase of growth as it acquired specialty pharmacies across the country. Based out of Nashville, TN, Optio Rx currently specializes in providing medication and care in the fertility, veterinary, dermatology, hormone replacement and hospice industries.

"Everyone at Capitala is especially proud to announce this successful exit today, as we celebrate Veterans Day 2020, and our partnership with Cold Bore Capital in this deal," stated Adam Richeson, Managing Director at Capitala. "Cold Bore Capital is a veteran-led private equity firm that partners exceptional business owners with elite military leaders to preserve the legacies of family-owned businesses like Optio Rx."
