Investors are Encouraged to Vote FOR the Merger with Portman Ridge Finance Corporation ("PTMN")

NEW YORK, May 08, 2025 (GLOBE NEWSWIRE) -- Logan Ridge Finance Corporation ("Logan Ridge", "LRFC", the "Company", "we", "us" or "our") (Nasdaq: LRFC) announced today its financial results for the first quarter ended March 31, 2025.

First Quarter 2025 Highlights

- Total investment income was \$4.6 million for the quarter ended March 31, 2025, as compared to \$5.4 million reported for the quarter ended December 31, 2024.
- Net investment income ("Nil") was \$0.9 million, or \$0.35 per share, for the quarter ended March 31, 2025, as compared to \$1.5 million or \$0.56 per share, for the quarter ended December 31, 2024.
- Net asset value was \$29.66 per share as of March 31, 2025, as compared to \$32.04 per share as of December 31, 2024.
- The Company made approximately \$15.1 million of investments and had approximately \$12.4 million in repayments and sales of investments, resulting in net deployment of approximately \$2.7 million during the quarter ended March 31, 2025.

Subsequent Events

- On May 7, 2025, the Company's Board of Directors approved a second quarter distribution of \$0.36 per share, payable on May 29, 2025, to stockholders of record as of May 19, 2025.

Management Commentary

Ted Goldthorpe, Chief Executive Officer and President of Logan Ridge, said, "Following record results in 2024, Logan Ridge continued to make significant strides in strengthening its portfolio, despite the large write-down on the Company's legacy term loan to Sequoia Healthcare. Notably, during the quarter, the Company grew its portfolio with net deployment, and as previously announced, Logan Ridge continued rotating out of the legacy equity portfolio with the successful exit of its second largest non-yielding equity investment in GA Communications, Inc. This exit stands as another important achievement in our long-term strategy of rotating out of the legacy equity portfolio, which has now been reduced to just 10.8% of our portfolio at fair value, down from 13.8% as of the prior quarter and 18.2% in the first quarter of 2024.

Looking forward, with the continued monetization of the legacy equity portfolio, we believe the Company is well-positioned to continue to grow earnings and increase long-term shareholder value as we navigate this dynamic market shaped by renewed uncertainty, increased market volatility, and shifting geopolitical dynamics.

Finally, we remain excited about the opportunities the proposed combination with Portman Ridge presents. This transaction offers the potential for increased scale, improved liquidity, and enhanced operational efficiencies, all of which would strengthen our ability to deliver greater value to shareholders. The combination of these companies would be a marquee transaction for our BDC franchise and a significant milestone for the BC Partners Credit Platform. We encourage all shareholders to vote FOR the proposed merger, as recommended by the Board of Directors of both companies. We are excited about the road ahead and look forward to sharing more updates at the upcoming Special Meeting of Stockholders."
